P&C Association - Principal Report

SASS Recognition Week

- Thank you to our P&C for acknowledging our 16 School Administration and Support Staff recently as we recognised 'SASS Week'! All 16 staff including our office administration team, school learning & support officers and our general assistants enjoyed a special morning team, gift from the staff and a gift from our P&C. Acknowledging our administration team, school learning and support staff, and general assistants is so important because their kindness, dedication, and tireless efforts create a welcoming and nurturing environment. I often hear direct feedback from visitors about the warm and friendly atmosphere of our school, and I recognise that this positive culture starts at the front office. Their invaluable support also enables teachers to deliver exceptional programs, helping every student to thrive and succeed.

Northern Beaches Senior College – Freshwater Senior Campus Project update

- I have spoken with Catherine Moran, the Relieving Principal at Freshwater Senior Campus, Northern Beaches Secondary College. She is keen to attend one of our P&C meetings this year to meet with parents and strengthen the connection between our primary and secondary schools, especially as part of the transition process.

School Focus

- Current PBL Focus – Wearing School Hats
- We have 2 areas in the school designated for students to play if they don't have their hats which is Tidal Tunnel and COLA courts. As students are required to have a school hat daily (especially for outside PE and Sport), our best hope is that students learn to take responsibility for having their hat so that they have full access to outside play areas in the sun.

The NSW Department of Education requires that schools set local school uniform requirements, and health and safety factors must be considered, including sun safe uniform items such as hats that protect the head, neck, and ears. Additionally, for all outdoor activities, students and staff should wear broad brimmed hats to promote sun safety.

- Torn hats or hats which have visible graffiti are strongly discouraged and we are asking parents to support this aspect of our uniform policy by utilising the P&C Uniform shop for online purchasing.
